

GfK INDUSTRY-ACCREDITED RADIO RATINGS COURSE

GfK RADIO RATINGS TRAINING

Gain an understanding of how the Radio 360 radio ratings are conducted and learn how to use the radio ratings data effectively.

The GfK Radio Ratings Certificate Training Course is free to current radio ratings subscribers, and covers all aspects of radio audience measurement in Australia.

The course is accredited by Commercial Radio & Audio (CRA).

TOPICS COVERED

Introduction to Radio Audience Measurement in Australia

- An overview of how the Radio 360 radio ratings are collected using an hybrid audience measure system using multiple sources to create a comprehensive view of radio audiences.

Introduction to the Data

- an explanation of the basic statistics, how to interpret them, and how to use them effectively.
- Understanding and interpreting Reach & Frequency.

COURSE DURATION

The course takes approximately 1 hour to complete.

ADVANCED RADIO RATINGS TRAINING

We also offer advanced training on an ad-hoc basis.

The training can be customised to your needs, an example of what the advanced session can cover:

- Audience profiling
- Station loyalty
- Understanding Ebb & Flow
- Analysing your station's survey results

Participants should have previously completed the Radio Ratings Certificate course.

Please Note: These courses do not include software training. Please contact your Gold Standard Software Supplier for software training
